

WOMEN PLAN 1920 PAN-AMERICA EVENT

General Federation's Sessions
Enlivened by Activities in
Behalf of World Peace.

NEW YORK, May 27.—The first week of the thirteenth biennial convention of the General Federation of Women's Clubs closed here tonight with scores of dinners and receptions, after a day of committee and conference meetings, at which were formulated the important national policies of the organization to be voted on next week.

One of the questions upon which interest is centered is the proposed propaganda for internationalism, in behalf of world peace, and its corollary—a pan-American congress of women in 1920. Two amendments to the by-laws which have been offered also are occupying the attention of the delegates. They provide for the investment of the one-hundred-thousand-dollar endowment fund and for enlarging the board of directors from fifteen to fifty-seven members, so that each state may have a representative on the board.

The chief topic of discussion tonight, however, was the presidential election to be held May 31. Interest was enhanced by announcement of the withdrawal of Mrs. John D. Sherman of Chicago, Miss George A. Bacon of Worcester and Mrs. B. W. Corkran, Jr. of Baltimore.

No Personalities in Fight.

The contest now is definitely between Mrs. Josiah Evans Cowles of Los Angeles and Mrs. Samuel B. Sneath of Tiffin, Ohio. Their supporters declare personalities will not figure in the fight. The next day, they say, will be arranged against the east.

Mrs. E. O. Dennison, chairman of Mrs. Cowles' campaign committee, claims the entire vote of the delegation from the Pacific coast, northwest and southwest states. Mrs. Sneath's supporters claim the southern and eastern states. The Ohio candidate's strength in the east is not so great, because at caucuses held this afternoon the delegations from New York, Illinois, Iowa, Maryland and Massachusetts decided to go to the election unopposed.

Miss Bacon, who now holds the office of second vice president, has announced her candidacy for the first vice presidency. She will be supported by her supporters say. No candidates have yet appeared for the other offices.

Support the President.

All the recommendations made by Mrs. Percy V. Pennybacker, the president, in her report were adopted. They include the Pan-American Congress, a national survey of motion pictures, the continuation of the work of Americanizing the immigrant and the improvement of rural conditions. Her proposals for time and money saving methods to bring about closer contact between the state federations and the national officers also were approved.

Addresses were delivered by George Otis Smith, director of the United States Geological Survey, on "National Natural Wealth"; Prof. F. A. Waugh of Massachusetts Agricultural College on "Rural Planning"; Nathan T. Mather, assistant secretary of the Interior, on "National Parks"; Mrs. Josiah Evans Cowles on "Our Greatest Asset—Nature"; Dr. William Norman Guthrie on "Foreign Literature and the New Civilization"; Frank Damrosch, director of the Institute of Music Education and Music Culture.

Receptions were given this afternoon and evening by the Chicago Club, the Colorado Club, the Dwellers Association and others. Hundreds of delegates were entertained by the local Young Women's Christian Association and the National Civic Federation. Mrs. William Jennings Bryan was a guest of honor at the dinner given to the daughters of Nebraska to the delegation from that state.

The organization of the national women's club movement were organized at the banquet given by Mrs. William Jennings Bryan, the surviving "pioneers." The speakers included Mrs. Pennybacker, Dr. Anna Shaw, Katherine Kidder, Mrs. Philip Carpenter and Helen Varick Boswell.
